

— WHERE LIFE BEGAN, AND ADVENTURE LIVES —

ERTA ALE VOLCANO

A JOURNEY TO EARTH'S FIERY HEART

Trek to one of the world's few permanent lava lakes and experience the raw power of nature in Afar, Ethiopia. A once-in-a-lifetime adventure in the heart of the Danakil Depression.

“
STAND ABOVE ONE OF
THE WORLD'S RARE
PERMANENT LAVA LAKES.
”

LIVE LAVA LAKE

Witness molten lava up close at one of the few permanent lava lakes on Earth.

ADVENTURE TREKKING

Trek across dramatic volcanic landscapes by sunset and camp above the crater.

UNFORGETTABLE VIEWS

Experience spectacular night views of the lava glow under a sky full of stars.

EXTREME LANDSCAPES

Explore vast lava fields, volcanic cones and surreal desert horizons.

AFAR CULTURE

Connect with the resilient Afar people and their ancient heritage.
